ADUR Astronomical Society

Are you able or willing to contribute to a meeting programme and if so on what topic of astronomical interest?

General Aims of the Society

To meet 11 times annually on the 1st Monday of the month, (dates subject to change to accommodate Bank Holidays) between August 1st and 30th June. There is no meeting in July.

To endeavour to provide a speaker at each meeting.

To encourage members to offer their programme contributions including images of interest.

To share ideas and techniques amongst the members and help those new to astronomy.

To create a happy and sociable gathering of people enjoying their hobby.

Fees

Annual Membership Subscription	-	£17.00
In addition Members pay a Meeting Admission	-	£4.00

Subscriptions made payable to:- Adur Astronomical Society
